

PROJECTS

A PERFECT DAY/TEMAZCAL User + Spatial Experience Design

Royal Caribbean Sponsored Studio
Costa Maya Shore Excursion.

Present 2024
Jan 2024

By seamlessly integrating feature functions and serene relaxation experiences, we are redesigning the Temazcal ritual to offer high-end customers an exclusive and private oasis on the shore, perfect for rejuvenation after days spent amidst the hustle and bustle of cruise ship crowds.

THE MEMORIAL User + Spatial Experience Design

LA x Tokyo, Pacific Rim
Tama University x ACCD
Study-Away collaborate project.

Dec 2023
Sep 2023

Through extensive stakeholder interviews, contextual inquiries, and user feedback, we pinpointed opportunities to enrich current memorial experiences through the integration of narrative spatial journey and immersive technologies.

BOWIE, THE MUSEUM GUIDE User Experience Design

Capstone Course
Interaction Design 3

Apr 2022
Jan 2022

Performed de-conceptualization and high-fidelity product modeling for user research and the design of an innovative navigation system for art museums.

Conducted on-site user behavior research, gathering valuable stakeholder feedback to identify genuine pain points within museum venues.
